

## How to Create Evolve Account for HESI A2 Testing

You will need to create an Evolve account so that you can sign into the Evolve website on the day of testing.

Go to <https://hesistudentaccess.elsevier.com>

Click **Sign In** in the top right corner of the screen.

Click **Create Account**.

The image shows a screenshot of the Evolve website's login page. The background features a photograph of three people (two men and one woman) looking at a whiteboard in a classroom setting. The Evolve logo is in the top left corner. In the top right corner, there is a link for "Already enrolled?" and a "Sign in" button, which is highlighted with a red square. A white login form is overlaid on the right side of the page, containing an "Email Address or Username" input field, a "Continue" button, a "Create account" link with a red arrow pointing to it, and a "Forgot Username or Password?" link. At the bottom of the page, there is a white box with the text "Let's get started." and two orange buttons: "I'm a Student" and "I'm an Educator".

Select **Student**.

Enter your personal details and provide a password in the designated fields.

- It is preferred that you use your School email address.
- Double check the email address entered is correct.
- Your password should be between 8 and 16 characters and contain at least one number (0-9), and at least one lowercase letter (a-z), at least one uppercase letter (A-Z). Only certain special characters are allowed.

Select **Submit**.
