- All rates are hourly and require a four hour minimum. Set up and clean up times are charged at the normal for-profit hourly rate with a one hour minimum.

- Community entity facility usage rates are shown with 50% discount. Discounts do not apply to heating, lighting, piano tuning, equipment, set-up and clean-up fees, or other services that may be required.

- Any usage that occurs during evening, weekend or holiday hours when facilities are normally closed requires an upcharge of 25%. Please check with college for normal operating hours.

- The above published set-up fees are for basic services. Specialty set-ups will be assessed an additional \$50 fee. This reflects the additional labor required.

This discount is not available to organizations that are receiving a Community Entity discount.

- Some facilities require that personnel operate or be present during event. Charges for these services are in addition to the rates quoted above.
