

## Paramedic to Associate in Applied Science in Nursing (RN) Bridge Program Fact Sheet 2024

The Paramedic to AAS Degree in Nursing Bridge Program includes coursework that will provide paramedics with the theory and clinical competencies to successfully progress into the second or third semester of the MaricopaNursing program of study.

The Bridge Program will be offered at Mesa Community College in spring and at Paradise Valley Community College in the fall each year. This program consists of up to 9 credits and includes on-line components, in-class sessions, and structured clinical experiences in local hospitals and medical centers.

Successful completion of the Bridge Program will meet eligibility requirements for Advanced Placement application into the second or third semester of the Nursing Program. For admission the student must complete the Advanced Placement Application Packet for Paramedic Applicants available at **Advanced Placement Information & Application Packet**. The Bridge Program is valid for nine (9) months after completion.

Applicants should contact the Nursing Advisor at the campus of primary interest:

Mesa Community College Contact: Tuesdee Pfeiff Phone: 480-461-7208 Email: <a href="mailto:tuesdee.pfeiff@mesacc.edu">tuesdee.pfeiff@mesacc.edu</a>	Paradise Valley Community College Contact: Maile Canlas or Elaine Chen Phone: 602-787-7000 Email: <a href="mailto:pre-nursing@paradisevalley.edu">pre-nursing@paradisevalley.edu</a>
