

commercial music

THE COMMERCIAL MUSIC PROGRAM AT PVCC

You love music. You can picture your music life becoming your work life. You need someone who loves music and takes it as seriously as you do. At PVCC we do and it shows in our work in the classroom, in the studio, and on the stage.

We teach the tools needed to begin your career in the music business. Our degree programs in Audio Production and Music Business are designed to get you started the right way with state of the art equipment and facilities to support your creative goals and the demands of today's marketplace.

Contact one of our highly trained music professionals today, let us help turn your love of music into a career you can love.
