Dependent upon the instructor's approval, I request to enroll in this course on a Pass/No Credit (P/Z) grade basis. I realize that I must maintain a minimum grade of "C" in this course to receive a passing (P) grade for this course. If I achieve less than "C" grade level work, I may receive a grade of "Z" on my academic transcript. I also understand within the MCCC Colleges, grades of "P" or "Z" are **NOT** used in calculating my grade point average (G.P.A.). I realize other educational institutions may evaluate "P" or "Z" grades differently at their institutions. My signature below indicates I have read & understand these conditions, and I am selecting the P/Z option for this course for this term.
