Degree Program: I understand that VA educational benefits will only pay for classes that are required for my selected degree program at my current college. If I take courses outside of my program, it is my responsibility to make payment. _____ (Initial)

Changes: I will notify the Veterans Services office of any changes in class schedule, start dates, degree, or address. Failure to notify the Veterans Services office may result in a debt to the VA. _____ (Initial)

Non-Standard Classes: I understand that short-term classes and Open Entry/Open Exit classes will affect how my benefits are processed, as well as my full-time level. _____ (Initial)

Attendance: I understand that if I do not attend class, I am not entitled to receive benefits. I understand that my benefits are based on class "seat time." All withdrawals will be reported to VA with my last date of attendance. _____ (Initial)

Academic Probation: The Maricopa Community colleges have minimum GPA requirements (see college catalog). Failure to maintain the required GPA will result in academic probation. You are still eligible for educational benefits while on academic probation; however remaining on probation for two consecutive semesters may result in the Department of Veterans Affairs suspending or terminating your benefits. _____ (Initial)

Courses and Grades: Acceptable grades are A, B, C, D, F, and P (for required courses only). Courses not successfully completed may be repeated and covered by VA Education Benefits. Withdrawing (W and Y) from classes during a semester may create a debt to VA. Remedial courses taken ONLINE or audited courses are not authorized for VA benefits. _____ (Initial)

Prior Credit: I understand that VA rules require me to transfer all prior college and military credit. I agree to order official college and military transcripts and understand I may not be certified without all prior credit being evaluated by the college. I give the Maricopa Community Colleges permission to request my military transcript on my behalf. _____ (Initial)

Tuition Deferments: I understand it's my responsibility to make sure my tuition and fees are paid by the established deferment deadline dates. Failure to pay my tuition and fees will result in my account being turned over to a collection agency and reported to the credit bureaus. I'm responsible to pay back this deferment, even if I do not attend classes or fail to withdraw myself by the refund deadline date. Failure to pay will create a debt, resulting in inability to register for, or cancellation of enrollment in, future classes. Requesting benefits is not a guarantee of VA payment, and I am responsible for any amount not paid by VA. _____ (Initial)

Other Financial Assistance: The Post-9/11 GI Bill will not pay tuition if you are receiving a tuition waiver, if you are using military Tuition Assistance, if your employer is paying your tuition, or you have an outside scholarship/grant funding specifically designated for the sole purpose of paying for tuition and fees (exception Title IV funding). _____ (Initial)

Tuition Assistance (T/A): I understand that I cannot use CH1606 or CH1607 benefits and military tuition assistance at the same time for the same course. I understand that T/A may affect my CH30 or CH33 benefits. _____ (Initial)
